

AMENDMENTS TO THE DRAWINGS WITHOUT MARKINGS

IN THE DRAWING:

Figs. 1-6 have been amended

REMARKS

This Amendment is submitted preliminary to the issuance of an Office Action in the present application.

Applicant has canceled original claims 1-10 in favor of new claims 11-21 which are intended to present claims in proper form and language and to better encompass the full scope and breadth of the invention notwithstanding applicant's belief that the claims would have been allowable as originally filed. Accordingly, applicant asserts that no claims have been narrowed to trigger prosecution history estoppel. The fee of \$200.00 to cover the surcharge for presenting one independent claim in excess of three is enclosed.

In addition, applicant has amended the specification to present it with proper headings and to delete any reference to claim numbers.

Moreover, applicant submits herewith amendments to Figs. 1-6 to label all boxes. The submitted drawing sheets are labeled "Replacement Sheets".

When the Examiner takes this application up for action, s/he is requested to take the foregoing into account.

Respectfully submitted,

By:
